The Intermountain States Seminar is a unique convention that started over 50 years ago when the five intermountain states...Idaho, Utah, Colorado, Wyoming and Montana... joined forces to bring a powerful seminar into being. IMSS is held each fall in the beautiful setting of Jackson Hole, Wyoming. We are fortunate to be able to offer such a renowned event which draws world-class speakers, innovative exhibitors and true professionals. Please join us this fall for another outstanding event.

Come see your long-lost "relatives" in Jackson Hole this fall.
